

# We are Allia

For 25 years, Allia has been at the forefront of impact innovation, helping businesses create positive change through our Future Business Centres, comprehensive business support programmes and by connecting impact-focused organisations with investors.

We've helped thousands of social enterprises, ethical businesses and charities grow their impact nationwide.

## Our Impact Today

- Extensive business support programmes reaching entrepreneurs nationwide
- Offices and Future Business Centres in London, Glasgow, Cambridge and Peterborough
- 600+ local & social businesses supported annually
- Thriving communities of social enterprises, cleantech and tech for good businesses
- Free support programmes for businesses at all stages of growth

## Our Vision for 2030

- Expand to 25 locations across the UK
- Help to establish 5,000 social impact businesses annually
- Transform the business landscape so social impact becomes the norm

## What We Bring to Communities

- Expert business support and innovation programmes
- Vibrant locations that foster collaboration
- Solutions to local and global challenges through social and impact enterprise
- Specialist expertise in areas like cleantech, modular housing, and agetech
- Support for the charities and community organisations to be more innovative

# Help us expand our impact

## For Local Authorities

Partner with us to:

- Develop Future Business Centre opportunities
- Create sustainable local employment and economic development
- Develop solutions to local challenges
- Strengthen your social impact ecosystem

## For Companies, Borrowers & Investors

Support our growth through:

- Tax-efficient programme funding via our Enterprise Agency status
- Investment in our innovation projects
- Strategic partnerships and introductions

Partner with us to:

- Access funding suited to charities & mutuals
- Raise debt to accelerate and multiply impact
- Expand the RCB Bond Programme

## For Property Owners & Developers

We're seeking buildings of 5,000-30,000 sqft to transform into Future Business Centres. Partner with us to:

- Reduce void periods and holding costs
- Generate rental and additional income streams
- Benefit from our transparent, open book accounting
- Increase footfall to local businesses and amenities
- Transform underutilised spaces into thriving hubs

## For Universities

Partner with us to:

- Support student and graduate entrepreneurship
- Deepen local business and civic engagement
- Demonstrate your impact in practical ways

## For Everyone

Help us create more impact by:

- Introducing us to your network
- Spreading the word about our work
- Connecting us with entrepreneurs who could benefit from our support
- Sharing opportunities for new Future Business Centre locations
